

\$36 SOLUTION:

REENLISTMENT TIME!

Our Kansas-Oklahoma Conference is truly blessed with people who care deeply about the life and work of the UCC and its member churches in our region. In 2006 we began the \$36 Solution campaign, based on Conference Minister David Hansen's calculation that a contribution of \$36 per year from each church member within the conference would underwrite the conference budget. The response to the initial campaign (although short of your ever-optimistic president's high hopes) was heart-warming, bringing in more than \$10,000. This was a great start!

In this new year we are once again offering the opportunity for every member of the conference to send the conference office a check for the modest amount of \$36—a contribution which by itself seems small, but when combined with checks from as many of the thousands of members of the conference as can participate, can go a long way toward improving the finances of the conference. Please use the coupon in the K-O Focus to join our \$36 Solution campaign, or to “reenlist” if you contributed in 2006, and show your support for our conference.
